

Statement: COVID-19 – 18th March 2020

At the WJFF, the safety and well-being of our Students, Sensei, staff and volunteers is always our priority.

The directors have been actively monitoring the unprecedented COVID-19 pandemic and how it will impact our lives and in particular our organisation. We are not experts on the subject, nor have we received any medical training. However, we are dedicated to playing our part in controlling the spread of this awful virus.

We of course now, after the closure of schools, deem it necessary to follow government policy and recommend that all classes and grading's should be cancelled with immediate effect and until further notice.

This decision has not been taken lightly, but as you are all aware, we are a close contact sport and we are acting on the advice put out by the government and NHS.

We hope this worldwide problem improves quickly and we can all get back to normality as soon as possible, in the meantime please check with your club Sensei, either by phone, club facebook page, Instagram or web site, as they may be offering online training instruction

We hope everybody stays safe and well and look forward to seeing you all again soon.

Kancho Robert Hart
